Dear Ms. Beth O'Donnell:

This letter is in reference to the Farmdale sewer rate increase, case #2006-00028. As a resident of the Farmdale area, I think the rate increase proposal is absurdly high and I oppose it. If this proposal goes through, I believe that many people would reconsider living in this neighborhood, me included. Please think about my concerns and help make sure that the rates are not increased so substantially. Thank you for your time.

Sincerely,

Karen L. Raisor
